## Action Taken Report For the meeting Held On 05 April 2023

S. No	Agenda	Decision Made	Action Taken
1	Infrastructure Augmentation	It was decided to go for Infrastructure Augmentation - Step Seating in Internal Courtyard, Lift, Ramps.	Several infrastructural improvements were undertaken including the addition of step seating in the internal courtyard to provide comfortable seating and relaxation areas for students and staff. The installation of a lift and ramps are done to ensure better accessibility for people with disabilities.
2	Faculty Development Program (FDP)	It was decided to conduct FDP on IPR, AI, & Research Methodology.	(FDP) focusing on Intellectual Property Rights (IPR), Artificial Intelligence (AI), and Research Methodology was conducted, to enhance the knowledge and skills of faculty members in these emerging areas.
3	Financial Assistance to Teachers on Completion of FDP	It was decided to give financial assistance to teachers, upon producing Certificate of Completion of FDP.	To encourage faculty members to participate in professional development and stay updated with the latest trends in their respective fields, financial assistance was provided to teachers who successfully completed FDPs.

4	Implementation of New Add-on Courses.	It was decided to introduce new add on courses, offering students the opportunity to explore new subjects.	Implementation of New Add-on Courses enhanced the skill sets of our students, and catered to the diverse interests of students and provided them with a competitive edge in their future careers.
5	Registration of Alumni Association	It was decided to register an official Alumni Association.	Registration of Alumni Association fostered a strong bond between the college and its alumni, facilitated networking opportunities, career guidance, and mentorship for current students.
6	WiFi Access for All Students on Campus	It was decided to provide WiFi access to all students on campus.	Uninterrupted WiFi Access was ensured for all students for their academic needs. This initiative will enable students to access online resources, submit assignments, and stay connected with their peers and faculty members more efficiently.
